	said bridges shall be located at points suitable to the interests of
	navigation and shall be constructed in accordance with the pro-
	visions of the Act entitled "An Act to regulate the construction of
	bridges over navigable waters," approved March 23, 1906, and
	subject to the conditions and limitations contained in this Act.
	SEC. 2. If tolls are charged for the use of such bridges, the rates of
	toll shall be so adjusted as to provide a fund sufficient to pay the
	reasonable cost of maintaining, repairing, and operating the bridges
	under economical management, and to provide a sinking fund suffi-
	cient to amortize the costs of the bridges, including reasonable
	interest on bonds issued to provide funds for constructing the same,
	as soon as possible, under reasonable charges, but within a period
	of not to exceed eighteen years from the date of approval of this
	Act. After a sinking fund sufficient for such amortization shall
	have been so provided, and in any event after such period of eighteen
	years, all of said bridges shall thereafter be maintained and operated
	free of tolls. All tolls collected for the use of said bridges shall be
	kept in a separate fund by the proper authorities of the State of
	Alabama, according to the law of said State, and no part of said
	funds shall be used for any purpose except for paying for the
	reasonable cost of maintaining, repairing, and operating the bridges
	and amortizing the costs of constructing the same, including interest,
	as provided in this Act. The tolls charged by the Alabama State
	Bridge Corporation, its successors or assigns, shall be uniform as
	between persons, and as between vehicles of the same type, using
	each of such bridges, and the corporation shall not authorize or
	permit any discrimination between persons or between vehicles of
	the same type transiting any particular bridge constructed under the
	provisions of this Act: <i>Provided</i> , That nothing herein shall be
	construed to prevent different tolls being charged at different bridges,
	but in fixing the rate of tolls there shall be no discrimination as
	between persons and none as between vehicles of the same type. An
	accurate record of the cost of the bridges, the amount of notes or
	bonds issued for the construction of the same, and the expenditures
	for maintaining, repairing, and operating the same, the daily tolls

collected, and the sinking fund on hand shall be kept and shall be available for the information of all persons interested.

SEC. 3. The right to alter, amend, or repeal this Act is hereby expressly reserved.

Approved, May 26, 1928.

CHAP. 763.—An Act Authorizing T. S. Hassell, his heirs, legal representatives, and assigns, to construct, maintain, and operate a bridge across the Tennessee River at or near Clifton, Wayne County, Tennessee.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That in order to promote interstate commerce, improve the postal service, and provide for military and other purposes, T. S. Hassell, his heirs, legal representatives, and assigns, be, and is hereby, authorized to construct, maintain, and operate a bridge and approaches thereto across the Tennessee River, at a point suitable to the interests of navigation, at or near Clifton, Wayne County, Tennessee, in accordance with the provisions of the Act entitled "An Act to regulate the construction of bridges over navigable waters," approved March 23, 1906, and subject to the conditions and limitations contained in this Act.

SEC. 2. After the completion of such bridge, as determined by the Secretary of War, either the State of Tennessee, any political subdivision thereof within or adjoining which any part of such bridge is located, or any two or more of them jointly, may at any time acquire and take over all right, title, and interest in such bridge and its approaches, and any interests in real property necessary therefor, by purchase or by condemnation or expropriation in accordance with the laws of such State governing the acquisition of private property for public purposes by condemnation or expropriation. If at any time after the expiration of twenty years after the completion of such bridge the same is acquired by condemnation or expropriation, the amount of damages or compensation to be allowed shall not include good will, going value, or prospective revenues or profits, but shall be limited to the sum of (1) the actual cost of constructing such bridge and its approaches, less a reasonable deduction for actual depreciation in value; (2) the actual cost of acquiring such interests in real property; (3) actual financing and promotion cost, not to exceed 10 per centum of the sum of the cost of constructing the bridge and its approaches and acquiring such interests in real property; and (4) actual expenditures for necessary improvements.

SEC. 3. If such bridge shall at any time be taken over or acquired by the State of Tennessee or any municipality or political subdivision or subdivisions thereof under the provisions of section 2 of this Act, and if tolls are thereafter charged for the use thereof, the rates of toll shall be so adjusted as to provide a fund sufficient to pay for the reasonable cost of maintaining, repairing, and operating the bridge and its approaches under economical management, and to provide a sinking fund sufficient to amortize the amount paid therefor, including reasonable interest and financing cost, as soon as possible under reasonable charges, but within a period of not to exceed twenty years from the date of acquiring same. After a sinking fund sufficient for such amortization shall have been so provided, such bridge shall thereafter be maintained and operated free of tolls, or the rates of tolls shall thereafter be so adjusted as to provide a fund of not to exceed the amount necessary for the proper maintenance, repair, and operation of the bridge and its
